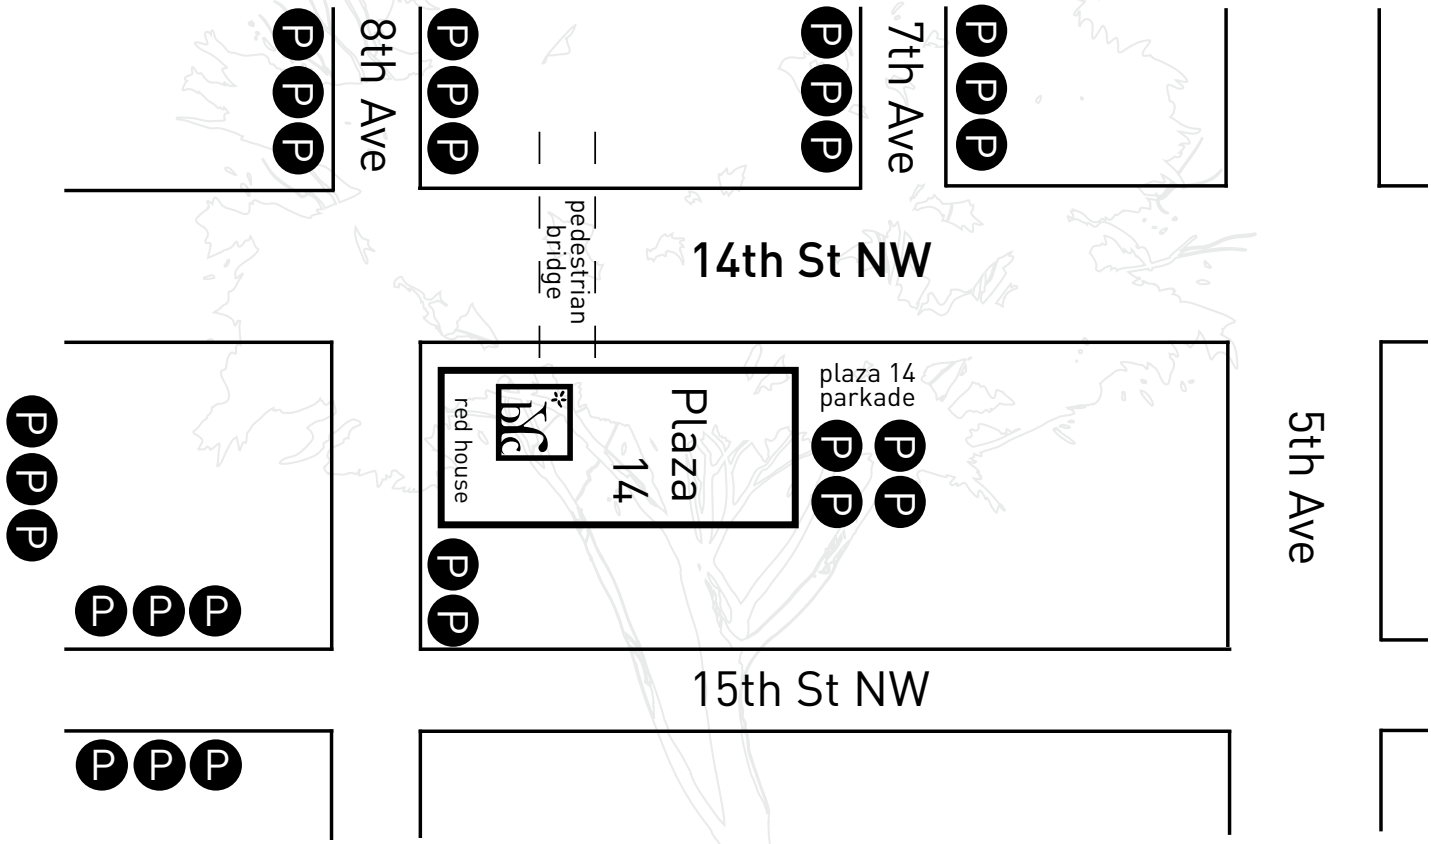
Parking and transportation around the bodhi tree



How to find us

We are located at 821 14th St. NW in Plaza 14 right next to Red House Family Restaurant. You can find us by looking for the green pedestrian overpass that crosses 14th street – its right outside our front door.

We are also very accessible by public transit.
By bus, Route #10 runs down 14th street NW and stops infront of our building.
By train, we are a 10min walk down 14th street from the SAIT, ACAD and Jubilee Station.

Why not ride your bike! There is a bike rack a few doors down from BYC – remember to bring your lock.

Suggested Parking Locations

- Plaza 14 street level parkade (located off 14th St)
- East side of 14th street on 7th and 8th Ave. (Highly recommended on evenings and weekends. We also ask that you please use the pedestrian bridge to cross 14th Street!)
