

Parking and transportation around the bodhi tree

How to find us

We are located at 821 14th St. NW in Plaza 14 right next to South Silk Road Chinese Restaurant. You can find us by looking for the green pedestrian overpass that crosses 14th street – its right outside our front door.

We are also very accessible by public transit.

By bus, Route #10 runs down 14th street NW and stops in front of our building.

By train, we are a 10min walk down 14th street from the SAIT, ACAD and Jubilee Station.

Why not ride your bike! There is a bike rack a few doors down from BYC – remember to bring your lock. If you forget we have one for you to borrow.

Suggested Parking Locations

- Plaza 14 street level parkade (located off 14th St.)
- East side of 14th street on 7th. (Highly recommended on evenings and weekends. We also ask that you please use the pedestrian bridge to cross 14th Street!)
- Add in a short 5-7 minute walk (great opportunity to breath in some fresh air and practice mindfulness) and there is free and 2 hr parking around Queen Elizabeth School at 5th Ave and 18th Street or venture down 8th Ave to 17th St and there is more parking there.
- There is paid parking on the east side of 14th St on 8th Ave as well as on 12th St beside Riley Park.

Locations to Avoid

- Any areas designated Permit Parking.
- The apartment parking lots next to Plaza 14.
- 8th Ave in front of South Silk Road Chinese Restaurant (Mon - Sat 7am - 11:30am).
- South Silk Road parking in the back alley.

The above areas are heavily patrolled and Calgary Parking Enforcement tickets and tows regularly. BYC is not responsible for any tickets.

We look forward to your visit.
